Brad & Jeanie,

It was great to see you again and thank you for the time. This is to confirm that our current plan is to migrate your case/client data from Best Case Desktop to Best Case Cloud over the weekend of Friday, September 13 – Sunday, September 15. On Monday, September 16, all of your data will be live on Best Case Cloud so your team can operate without interruption. A few items that need to occur prior to the transition:

1. Josh will reach out to Max Jennings, 561-320-7469, to discuss the current install of Best Case Desktop, access needs and the actual data migration process to ensure that the data flows seamlessly.
2. Raymond will put together the 2025 custom renewal pricing on Best Case Cloud to account for eight (8) active user licenses.
3. George will work with Brad & Jeanie to coordinate virtual training on Best Case Cloud for all team members to ensure a core level of proficiency before September 16th.
 - a. George will also coordinate having a Client Success team member onsite at least for September 13th and September 16th to conduct live training, answer questions and facilitate any issues that may arise in the data transition.

More to follow. We are very much looking forward to this transition and hope you are as well. Thank you.

Respectfully,

George

Thanks again for the time today Brad/Jeanie.

As George mentioned below, here is the pricing for the firm.

1. No payment is due on the account until 2/13/2025
2. On that date, the firm will be billed per month for the next 12 months. If you choose, you can elect to pay the full amount for the year as well.
3. Prior to the 2026 renewal date, we will review the account with you and provide pricing at that point.
